Merry Christmas and Happy 2023rd Year!

A Christian holiday commemorating the birth of Jesus Christ is celebrated every year on December 25 with the exception of some Eastern churches which use the older Julian calendar. These days, Christmas is also celebrated by many non-Christians around the world as a cultural event. As of 1870 Christmas is observed in the United States as a federal holiday.

Bible does not mention a specific date for Jesus' birth. The date of December 25 for the Feast of the Nativity was set by the Western Christian Church and Pope Julius I by the early-to-mid 4th century.

Gerard van Honthorst, "Adoration of the Shepherds" (1622)

A period of preparation before Christmas – Advent Season – in most churches starts on the fourth Sunday before Christmas. The most popular traditions associated with Christmas is the Christmas Tree and special decorations, family gatherings, special meals, singing Christmas carols, gift-giving, and the figure of Santa Claus who brings gifts to the well-behaved children on Christmas Eve.
